

2017 Ladies Instructional Clinics

The golf professional staff at Shaker Hills is offering a ten week player development program for ladies geared to help every aspect of your game!

Tuesday Evenings at 6:15 PM

Week 1 (May 30) 6:15-7:15

An introduction to the Player Development Program. We'll cover some on course rules and etiquette and answer any questions you may have. This is a fun, low stress first class. A great way to meet and mingle with the other ladies! Registration will open at 6:00PM.

Week 2 (June 6) 6:15-7:15

Putting fundamentals with games & practice drills to help you minimize three-putting!

Week 3 (June 13) 6:15-7:15

Learn to properly chip the golf ball close to the hole from off the green. Also known as a "bump and run" shot. We'll show you some fun practice drills you can do with your friends that will get you chipping it closer to the hole in no time!

Week 4 (June 20) 6:15-7:15

Work on one of the most commonly used shots around the green, the pitch shot! This may be our first clinics that we need to introduce the word "FORE". ☺

Week 5 (June 27) 6:15-7:15

Understand how a proper grip can help you hit the ball further and more consistently. We'll cover the three types of grips and help you choose which one is best for you. There will be plenty of full swings during this clinic! Bring your favorite clubs.

Week 6 (July 11) 6:15-7:15

Who's got the best G.A.S.??? Grip, Aim and Set-up (posture) that is! We talked about grip in our last session will help you with your alignment and posture this week.

Week 7 (July 18) 6:15-7:45

Pre-swing fundamentals have been covered and it's time to start working on the full swing. We know you're itching to get on the course by now and that's exactly where this clinic will take place.

Week 8 (July 25) 6:15-7:45

Tonight we'll be on the course again to play a few holes and work on previous lesson topics. We'll play in a scramble format in order to keep good pace on the course and everyone will have an equal opportunity to hit the same amount of shots.

Week 9 (August 1) 6:15-7:15

Everyone's Favorite... Bunker Shots! - Master getting out in one! You'll learn how the design of your wedge plays an important role when hitting shots from the sand.

Week 10 (August 8) 6:15-7:45

Time to put your skills to the test! We'll be on the course this week playing a fun scramble format with the pro's.
