Below is a detailed list of all member events along with important dates and deadlines. Except for the Ace & Albatross Program, members must sign up for each event online under the Membership Tab > Event Registration.

New this year, all team events will have a secondary signup for singles looking for a partner. We will use this list to pair singles up as they sign up. You are not official in the event until you are paired up and entered the main event.

You will receive email confirmation and can view your name under the list of attendees for the event once you register. It is the members' responsibility to correctly register for each event.

Special Member Days

Bring a Guest – Play for FREE! All members are eligible to participate on Member Days. On these special Tuesdays throughout the season, we lower the guest rate over 50% off the regular rate public rate! This year's Member Day Guest Rate is \$45 which includes golf, cart and range. On top of this great value, any member who brings at least one paid guest will play for free! This includes Twilight, Silver & Gold Members who would typically pay full or partial rate to play during these times. Each member may bring up to 7 guests at this special rate.

To participate, all you need to do is make a tee time on any of the dates below. The golf shop staff will adjust your rates once we see you on the tee sheet. If you would like to pay for your guests, please contact the golf shop ahead of time.
